

INTERGOVERNMENTAL COOPERATIVE AGREEMENT
WITH THE
CITY OF CLARKSTON
FOR
GEOGRAPHICAL INFORMATION SYSTEM SANITARY SEWER SYSTEM
MAPPING SERVICES

This agreement entered into this 25th day of May, 2010, between the City of Clarkston, a Washington Municipal Corporation hereinafter called "Clarkston", and the Public Utility District No. 1 of Asotin County, a Washington Municipal Corporation, hereinafter called "PUD".

WHEREAS, the City of Clarkston and the PUD are authorized under RCW 39.34.030 to enter into intergovernmental cooperative agreements; and

WHEREAS, the PUD has entered into an engineering services agreement with Murray Smith and Associates to provide Geographical Information System (GIS) mapping services including Task Order 10-02, which provides for GIS sanitary sewer system mapping services for the City of Clarkston; and

WHEREAS, the City of Clarkston is in need of Geographical Information System sanitary sewer system mapping services:

IT IS HEREBY AGREED AS FOLLOWS:

1. The PUD through its agreement with Murray Smith and Associates will provide Geographical Information System sanitary sewer mapping services for Clarkston.
2. Clarkston will pay to the PUD the sum of \$14,478.00 for development of sanitary sewer system Geographical Information System mapping layer and loading of base and collection data onto the Clarkston computer system.
3. The PUD will provide project management and survey collection coordination and oversight.
4. This Agreement shall become effective upon execution by the parties and will terminate once the project has been completed.

Dated this 24th day of May, 2010.
