

Resolution 2012-11

A RESOLUTION AMENDING THE INTERLOCAL COOPERATION AGREEMENT BETWEEN ASOTIN COUNTY, CITY OF ASOTIN AND CITY OF CLARKSTON FOR STORM SEWER AND SURFACE WATER MANAGEMENT PUBLIC UTILITY

WHEREAS: An interlocal agreement was entered into in September, 2010 between the cities of Clarkston and Asotin and the County of Asotin to provide for cooperative actions to comply with the National Pollutant Discharge Elimination System; and

WHEREAS: The agreement provided for a \$5.00 per equivalent residential unit (ERU) charge to fund the utility, provided that the cities could bill one third of their billing costs to the stormwater utility, and provided for a single six year capital plan; and

WHEREAS: Since implementing the program, review has shown that reduction of the cost to \$4.00 per ERU per month will provide adequate funding, that charging one-third of the billing costs of both cities to the stormwater fund was higher than necessary to perform the tasks, and that each entity should prepare a six year capital plan for it's elected officials to review and adopt; and

WHEREAS: The Clarkston City Council desires to amend the Interlocal Agreement to lower the stormwater ERU, lower the costs of billing, and consider a 6 year capital plan for the City's stormwater program.

THEREFORE be it RESOLVED: the interlocal agreement will be revised to lower the per month ERU cost from \$5.00 to \$4.00, the billing charged to the storm water fund will be calculated as an incremental cost, and that each entity will create it's own six year capital plan;

The effective date of this resolution shall be January 1, 2013.

The provisions of this Resolution are severable, and if any portion is found to be unenforceable, the remainder of the Resolution shall not be affected.

Adopted by the Clarkston City Council on November 26, 2012
